

REMARKS

Applicants appreciate the opportunity to respond to the Notice of Drawing Inconsistency with the Specification, mailed on 02 September 2005. The Notice pointed out that Figure 2 was contained in the Drawings but was not listed in the Brief Description of Drawings in the specification. In response to the Notice, Applicants have herein amended the specification to include Figure 2 in the list of Drawings found in the Brief Description of Drawings section.

Applicants believe this Response serves to correct the above-noted inconsistency and places the application in condition for issuance. If, however, any issues remain unresolved, the Office is invited to telephone the undersigned at the number provided below.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read "Paul DiConza", is written over a horizontal line.
